HOW TO GET YOUR TICKET

APPLYING FOR TICKETS

1. Plan your Application for:

- **A Sport**

There are two ceremonies and 40 sports to choose. Some of those are broken down into disciplines such as cycling (BMX, Mountain, Road or Track) and Gymnastic. You will find details of each disciplines within this guide.

- **A Session**

The Sport Program take place for over 19 days. Each day is broken down into sessions classified as preliminaries, quarter Finals, Semi finals and Finals . Please note that all competition schedules are subject to change at any time.

- **A Price Category**

You will always select a ticket for a particular price category rather than specific seats, which is why seating plans are not available. Most sessions have tickets available in more than one price category.

A ticket in price category A will provide seating with a better view of the field of play than a ticket price category C at the same session and venue. All price categories will still provide a great games experience.

2. Complete the application

Complete each of the sessions on the application form to confirm the price , quantity and type of tickets you would like to apply for.

3. Plan your Payment

You can pay by Visa (debit or credit). Regardless of your payment method, please ensure you have sufficient fund available. Please ensure that your visa card expire date . If your visa card is declined or rejected your application may be withdrawn. You will be charged the actual value of application once the application process is complete.
